## Postgraduate Studies

DRAFT | BORRADOR | ENTWURF

### NOTES:

a) In order to facilitate any agreement, it would be advisable if the Universities of the Consortium would previously send suggestions, modifications, development or extensions, which the present draft should consider: [eurotheo@cps.ucm.es](mailto:eurotheo@cps.ucm.es)

b) We also recall that the participating institutions in this postgraduate studies do not have to offer, necessarily ex novo, a similar program in their respective Institutions. It is, however, desirable that they offer doctorate and / or Advanced Diploma of EMPPI as specific itinerary or "indication" of already existing comparables in each university.

### → Doctorate in *EuroMediterranean Studies*

| Doctorado en *Estudios EuroMediterráneos* | Promotionsstudiengang *EuroMediterranean Studies*

The Academic College, consisted of the representatives of the Universities and Research Centres, will define the criteria of access to guarantee the incorporation of qualitative doctorands. Preparatory courses will be offered to achieve the required basic knowledge. After finishing the teaching- investigation period, the doctorands could choose an

### → Advanced Diploma in EuroMediterranean Studies (ADEMS)
